14. EVENT DESCRIPTION:

The event will consist of six courses, being predominantly laps of the circuit proper.

Courses will run in an anticlockwise direction and also in a clockwise direction, and will use both the 1.6km circuit and the 2.4km circuit.

Details of each course, its start/finish location, direction and length will be provided in a route book (Instructions) format to Competitors at drivers briefing.

A starting order will be posted at this time.

Cars will start at one minute intervals. Cars will start in numerical order unless the Clerk of the Course permits otherwise.

The circuit will be monitored and flag light signals used to warn of hazards or stoppages. Competitors will be briefed on circuit safety protocols at Drivers briefing.

Flying finishes and Rally style timing will be used.

Times will be recorded for each course and contribute to the overall result for an individual Competitor. The Competitor with the fastest time overall will be the winner. Should the event be stopped prior to the end of an official run then the total of the last fully completed runs will be used for results purposes.

Time penalties for failure to complete the course correctly will be added to a Competitors time.

These shall be

Hitting a cone +5 Seconds.

Lost laps +90 Seconds long circuit, + 60 seconds short circuit per lap dropped.

15. EVENT CONTROL /OFFICIAL NOTICE BOARD:

Event Control will be situated at the start line.

The Official notice board will be situated at Event Control and will display results as they become available.

Any other essential information will be displayed on this notice board.

16. DAMAGE TO PROPERTY:

Competitors will be responsible for the cost of repairing **any** damage they or their team cause to property.

17. FUEL:

Competitor's attention is drawn to Motorsport New Zealand's Code of Practice for Motorsport Fuel – Storage and Handling.

The organisers of the event urge you to familiarise yourself with these requirements and to follow them. It is the competitor's responsibility to transport, handle and store fuel appropriately and safely. The Clerk of the Course reserves the right to carry out random inspections of pits.

For the purposes of storage, the organisers deem the pit area to be equal to a pit paddock rather than a Rally service area.

The entire pit area is a smoke free zone.
